- **UEID:** FRZ8L2LDYNNM6, **CAGE:** 07Z73, **DUNS® Number:** 132266959
- **PRIMARY NAICS CODE:** 541611 **SECONDARY:** 513210, 541612, 541614, 541618, 541690, 611430
- **PSC Codes:** R408, R499, R425, U099, 7A2
- **DoD ID:** I598676492 **WBENC WOSB ID:** WOSB250090 (Exp. 1/2027), **EDWOSB:** Pending SBA Review, **SBE:** Pending NMSDC Review
- **Strategic Channel Partner:** Authorized Carahsoft Technology Corp. Receivable Services Program

PRINCIPAL'S FEDERAL CONTRACT EXPERIENCE

Verizon / DISA / Navy — \$21M Prime Contract

Increased operational resiliency for Defense Information Systems Agency (DISA). Saved approximately \$7.4B via cost-per-call model. Delivered global onsite vendor risk due diligence. Experience directly translatable to VA enterprise cybersecurity and Joint Lessons Learned frameworks.

AmerisourceBergen / DLA — \$11.7M Value Prime Contract

Supported DLA Troop Support with supply-chain due diligence informing \$1B+ in decisions. Ensured operational continuity for mission-critical medical supply chains. Proven federal medical logistics performance applicable to VA Supply Chain Modernization.

Charles Schwab / OCC — \$530k Prime Contract

Integrated ESG and TPRM for \$5B+ portfolio under SEC/FINRA oversight. Drove 200% workforce engagement gains while maintaining regulatory alignment.

OTHER NOTABLE EXPERIENCE

Fannie Mae GSE FHFA/Treasury

Managed supply chain operational risk under conservatorship, delivering \$3.1M savings. Reduced recidivism rates by approx. 25-40% (50-75% reduction in re-default rates, Y1 mitigated \$2MM vendor billing errors)

Santander Bank Commercial

Reduced regulatory findings by 54% and improved remediation cycles by 18% across 12 units supporting a \$7.8B portfolio.

ABOUT US

Egan Rose Consulting is a Woman-Owned Small Business delivering **C-SCRM (Cyber-Supply Chain Risk Management) governance, supply chain illumination, and operational resilience** to federal agencies and Fortune 1000 prime contractors.

With **\$33M+ in verified contract experience** across DISA, DLA, OCC, and GSE environments, and direct applicability to **VA Joint Lessons Learned**, we provide audit-ready, **VA Directive 6519-aligned**, and **NIST 800-161-informed** solutions so prime teams do not have to build compliance infrastructure from scratch.

Our engagement model scales from \$50K readiness diagnostics to \$2M+ integrated programs spanning strategic consulting, executive education, and **SCRM-aligned DevSecOps governance**.

LEADERSHIP, TECHNICAL & SECURITY CREDENTIALS

MJUR, Jurisprudence in Risk Management | D.Sc. Cybersecurity | CISA | CISM | CTPRP | CRCMP

CMMC Level 1 (SPRS Affirmed) | CMMC Level 2 Final Self-Assessment (SPRS Affirmed) | C3PAO Assessment Scheduled May 2026

Executive and technical leadership supporting Audit-Ready SSP/POA&M development, C-SCRM governance, and NIST 800-161 / VA Directive 6519 alignment.

CORE COMPETENCIES

01 C-SCRM GOVERNANCE & SUPPLY CHAIN ILLUMINATION

Cyber-Supply Chain Risk Management (C-SCRM) and Nth-tier supply chain mapping providing provenance visibility and UFLPA/CSDDD compliance within VA medical and IT logistics.

02 AUDIT-READY SSP/POA&M SUPPORT & REGULATORY ALIGNMENT

NIST 800-161 and VA Directive 6519-aligned risk frameworks, System Security Plan / Plan of Action & Milestones support, and oversight risk management.

03 ZERO TRUST ARCHITECTURE (ZTA) HUMAN-FACTOR INTEGRATION

Workforce reliability and insider-threat mitigation through Human IOC (Indicator of Compromise) psychosocial governance for High Reliability Organizations (HROs).

04 OPERATIONAL RESILIENCE & CRITICAL INFRASTRUCTURE CONTINUITY

HRO-aligned business continuity, mission assurance, and operational risk management.

05 PROGRAM EXECUTION, MODERNIZATION & DEVSECOPS GOVERNANCE

SCRM-embedded modernization and program execution for SPRUCE/T4NG2 ecosystems.

"Risk intelligence. Human integrity. Mission assurance."

WHY TEAM WITH US (WHAT YOU GAIN)

- **Verified Federal Transaction Infrastructure:** Authorized **Carahsoft Receivable Services Partner** with compliant payment assignment, receivable processing, and **net-30 billing infrastructure** for streamlined federal agency engagements.
- Strengthens prime contractor proposals and **reduces performance risk** requiring specialized risk management (**business continuity, labor, ethics, supply chain, ESG, WFA, cybersecurity**).
- Implements **SCRM-aligned DevSecOps governance** and **Zero Trust Architecture (ZTA) human-factor integration** that addresses **root causes** of performance and compliance failures.
- Provides **audit-ready SSP/POA&M support** and **C-SCRM compliance infrastructure** aligned to **VA Directive 6519—reducing prime contractor onboarding burden**.
- **Blue Wave Platinum Supplier certification** indicates lower supplier risk and institutional maturity.
- Supports small-business set-asides requiring **WFA prevention, TPRM/SCRM, CSDDD, UFLPA, and audit readiness**.
- **Immediate Defense & VA Contract Readiness:** Secure direct engagement capabilities on high-security DoD and VA defense contracts via **CMMC Level 1 & Level 2 credentials fully affirmed in SPRS & eMASS**, completely backed by **C3PAO-validated** CUI-handling infrastructure.

FINANCIAL CAPACITY & PROCUREMENT READINESS

- Fully insured, bonded, and backed by a comprehensive \$3M general, cyber, auto, and workers' compensation policy.
- Credit cards and Government Purchase Cards are accepted directly.

Egan Rose Consulting – Operationalized Compliance for VA, DoD, and Federal Health. We converge C-SCRM governance, audit-ready operational risk, and Human IOC workforce resilience to close the gap between policy and mission assurance.

DIFFERENTIATORS (WHAT WE HAVE)

- **VA Directive 6519 & NIST 800-161 Alignment:** C-SCRM frameworks operationalized for VA medical and IT supply chains.
- **\$33M+ Verified Federal Performance:** DISA, DLA, OCC, and GSE delivery history with direct VA Joint Lessons Learned applicability.
- **Supply Chain Illumination:** Proprietary Nth-tier mapping and provenance visibility mitigating hidden dependency risk for primes.
- **Human IOC Mitigation:** Psychosocial governance framed as insider-threat reduction and workforce reliability for HRO environments.
- **Executive Risk Leadership:** MJUR in Risk Management, D.Sc. Cybersecurity, CISA, CISM, CTPRP, and CRCMP credentials supporting Zero Trust Architecture human-factor integration, third-party risk governance, and audit-ready SSP/POA&M development.
- **Proprietary Framework:** Human-centered risk management framework grounded in psychosocial safety science.
- **Scalability:** Ability to scale from \$50K to \$3M engagements with technology-enabled delivery.
- **Blue Wave Platinum Supplier Certification:** Lower supplier risk and institutional maturity indicator.
